

I am a small business owner, veteran, and organic farmer. I am not a politician. I received a business degree from San Jose State with an emphasis in accounting. I have lived in Santa Cruz County for 42 years and have owned and operated a tax, accounting, and business services firm here for over 30 years. I have helped hundreds of clients save money on taxes, start, and build businesses, and stay compliant with the multitude of government regulations. I have farmed an eight-acre certified organic farm since 2001. I served on the board of Big Brothers Big Sisters for 9 years. I am a veteran of the U.S. Air Force and worked in a veteran's hospital. I have a blended, multi-racial family that has given me unique perspectives on family, racial and gender issues.
