It would be my honor to serve you as the new Trustee for the Pajaro Valley Unified School District. I'm running because PVUSD families deserve better. Our students need to come first. Safety, Education, and employing well-paid, certificated Teachers in EVERY classroom.

I'm a native of Watsonville and graduate of Watsonville High School. After earning a degree in Architecture, we returned to Watsonville to raise our family. Mother of three children (9, 12, 15), my husband and I own and operate a design & construction business. My expertise in budgets & work with various agencies will aid me in navigating the \$329,000,000 Pajaro Valley Unified School District budget. I value honesty, reliability and transparency.

I have always been involved in my children's schools as a volunteer and Treasurer for our Home and School Club. The spirit of volunteerism has been a thread throughout my life: Girl Scout leader, Helping Hands -providing meals to families in crisis, Boys Scout Parenting, Girlz Squad Sponsorship, and Pajaro Valley Little League team Manager for over 10 years!

Providing Common Sense and good Leadership is essential for a Trustee in the Pajaro Valley Unified School District. I am that Leader! Our parents need their voices heard. I will be that Voice! I am honored to have your Vote.
