

Statement of Renée Golder, Candidate

For Member of City Council District 6, City of Santa Cruz

Occupation: Elementary School Principal      Age: 44      [reneegolder.org](http://reneegolder.org)

As my first term on the Santa Cruz City Council comes to a close I'd like to express my gratitude for serving this community during the last few years. Working together we've accomplished many things, but there is much work still to be done.

Santa Cruz faces many complicated challenges that impact our daily lives, but our community remains an amazing place to live, work and play. That's why I'm eager to continue representing you on the City Council from District 6. Working with my colleagues on the City Council, I'm proud to have been a leader in our community's response to the pandemic, our work to address illegal camping and oversized vehicles, our effort to build affordable housing, and our progress in ensuring our neighborhoods are safe.

Addressing these critical issues and more is why I'm running for re-election and why your support is crucial to the future of our community. I believe my current service on the City Council, combined with my background and experience, make me uniquely qualified to help our community address our challenges, build on our strengths, and shape a sustainable future.

I would be honored to have your vote for Santa Cruz City Council District 6.
