

Roger L. Snyder

Incumbent 831-345-3470 [roger@snyder4schools.org](mailto:roger@snyder4schools.org) [www.snyder4schools.org](http://www.snyder4schools.org) Age: 54

I have served the students, parents, teachers and staff of (Scotts Valley Unified) since 2016. In that time I have focused my efforts on prudent financial stewardship, advocating for better state funding, and addressing the need for a more inclusive environment in our schools.

42

To advance these goals I have met with our state and federal representatives, and joined the (California School Board Association) (CSBA) (Delegate Assembly) to better represent our needs. Last year I presented at the statewide CSBA conference on the need for special education funding reform. As your board president for 2 years, I helped navigate us through the challenges of (COVID-19) and helped start the work to address diversity issues in our schools.

69

If (re-elected), I will continue my work within CSBA and at the state level to fight for school finance reform to fix the state funding rules that shortchange (Scotts Valley) schools. I will continue to encourage our Diversity, Equity, Inclusion and Belonging work that is essential to support the needs of every student in our schools.

55

I will continue to put our students first, serving you and them with integrity, thoughtfulness, and hard work. I would be honored to receive your vote.
