

Candidate Statement - Happy Valley School Board

I am an incumbent Board Member seeking reelection. I have served on the Board since 2016. Serving on the School Board has been my opportunity to give back to the community where I was raised and the school where I attended grade school. Being a proud parent of two recently graduated Happy Valley School students myself, I have truly had a vested interest in this special school district and mountain community. In my time on the Board I have been blessed to work with amazing teachers, administrators, parents and community members to help create a safe, challenging and nurturing school environment for our precious students. If reelected, I promise to continue to support, preserve and grow with this special school district into the future. Thank you for your consideration.
